The Falls of Schuylkill (East Falls) at one time was home to several breweries and at least one beer garden. We still might lament the loss of Hohenadel as a notable beer, and the loss of its landmark building which once stood along Indian Queen Lane. But Brewing returned in 2015, and the East Falls Historical Society has arranged for a tour of Wissahickon Brewing Company, a chance to learn some history of beer in the Falls, and the opportunity to taste their finely crafted products!

WBCO is located at 3705 West School House Lane, which is just above (literally) Ridge Avenue, and just below the railroad crossing. For more information contact Patty Cheek at pcheek2002@yahoo.com or 215-438-8539, or visit www.eastfallshistoricalsociety.com
