Philadelphia: Finding the Hidden City

a powerpoint illustrated lecture
by Peter Woodall

Wednesday, March 21, 2018 at 6:30 pm
Falls of Schuylkill Library

Celebrate Philadelphia's hidden architectural treasures as Peter Woodall, co-author of ***Philadelphia: Finding the Hidden City***, explores "secret places in familiar locations" around Philadelphia that have almost disappeared, from the Metropolitan Opera House on North Broad Street to Holmesburg Prison and the Divine Lorraine Hotel.

Copies of ***Philadelphia: Finding the Hidden City***, published by Temple University Press, will be available for purchase (\$40)

Peter Woodall, a former newspaper reporter and producer for public radio, is the project director of Hidden City Philadelphia and co-founded the website *Hidden City Daily*.
