Watch for our new website!

With more than 60 Oral Histories, 150 *Fallser* and *East Falls NOW* columns. 80+ volumes of the Chadwick Papers, and more, our old website is bursting at the seams! In September, we'll be building a new one that can grow with us.

Here's what to expect:

- *Around September 1, the website will be off-line for a day or so.*
- *After that, you MAY still be able to access it, but no promises.*
- *Within a day (we hope!) the new website will begin to take form. You'll be able to watch our progress - still at eastfallshistoricalsociety.org*
- *Before the end of September, the new website should have everything that this site has, but it will be easier to read, and easier to navigate.*
- *What next? More historic documents and photos, an East Falls Encyclopedia, and more.*
